

Belgravia and Belgravia Ultra Memberships

3RD TIER

The Belgravia and Belgravia Ultra memberships provide you with the ultimate managed medical concierge service.

This level grants you access to all the services offered by the Knightsbridge and Mayfair memberships, but in addition entitles you to enter a world-class health screening programme.

Grace
Belgravia

Belgravia and Belgravia Ultra benefits include

The ultimate managed medical concierge service plus world class health screening programme. Health Screening begins at Grace Medical with an in depth consultation with Dr Tim Evans, discussing full medical history, family and lifestyle risks. On top of the Knightsbridge and Mayfair benefits, this membership gives you access to:

- Full history and physical examination
 - Cervical smear (if applicable)
- Full range of core bloods and hormone profile
- Cancer marker bloods for PSA, CA-125, CA19-9

For Imaging, we offer:

- Abdominal ultrasound (*kidney, liver, gallbladder, bile duct, pancreas, spleen, abdominal aorta*) - male and female
 - Pelvic ultrasound (*uterus, cervix, vagina, fallopian tubes, ovaries*) - female
 - Prostate/Transrectal ultrasound - male
 - Chest X-ray - male and female
 - ECG - male and female

Our Patient Liaison team will escort you throughout your imaging appointment and follow-up with you after the screening. All results and a written report will be delivered by Dr Tim Evans or his deputy.

The Belgravia membership includes a Platinum Health Screen for one adult only, unlimited referrals and medical management for yourself, your partner and up to four children up to 18 years old.

In addition, the Belgravia Ultra membership offers members a CT Coronary Scan with Calcium Score, a CT lung and MRI brain scan.

Belgravia member fee: £5,295 (Extra adult health screen £3,134)

Belgravia Ultra: £9,095 (Extra adult health screen: £6,893)
